10. Parental/Family Involvement

The passing on of the faith to children is, first and foremost, the role of the family and most faith formation happens not in church but at home. We respect this and hope to do everything we can on this programme to support you. We warmly invite you to be involved in the delivery of the First Communion Programme in whatever capacity you feel comfortable. Some parents like to play a practical role, helping with drinks and break time; others prefer to work in small groups helping the children with their 'work' or leading an activity. Please tick below if you would to offer help during some or all of the sessions and one of the team will contact you. Thank you.

I am happy to help with the delivery of the programme in some way and to receive a call from one of the team to discuss this further.

11. Photograph permission

During the First Holy programme, we may wish to use photographs and/or names of your child/children taking part in the sessions, for display on our board or our parish website.

Before any photographs can be displayed, the consent of the parent or guardian must be obtained and by signing this form you are giving consent.

You may withdraw your consent at any time by informing us in writing and sending on to the programme co-ordinator.

The programme organisers can only be responsible for photographs taken by an authorised person on the programme and cannot be responsible for photographs taken by other parties (such as other parents/families).

Please confirm your consent by putting your initials in the appropriate boxes and signing below.

If you do not sign this consent form your child cannot be included in any photographic display during the course of the programme or be included in group photographs on First Communion Day.
