A plea from CAFOD: The people of Sudan need help urgently. Many borders are shut as the government say they need to keep weapons out. But the Church and our local partners are still there. Over 8 million people have had to flee their homes; famine looms. At least 25 million Sudanese need immediate, emergency help. Families are already going hungry and famine is looming. This crisis threatens to become the worst in living memory. <https://cafod.org.uk/give/donate-to-emergencies/sudan-crisis-appeal>
