**STELLA MARIS:** Imagine leaving your family behind, signing on for a job at sea, and finding yourself at risk of missiles, drone attacks, and piracy. This is the harsh reality for many seafarers working on these vital trade routes. Seafarers in these conflict zones are often scared, witnessing destruction first-hand. Security concerns frequently prevent them from going ashore, adding loneliness and anxiety to an already stressful situation. This is where **Stella Maris (formerly known as Apostleship of the Sea)**, the official maritime charity of the Catholic Church, steps in. They support seafarers and fishers in the UK and around the world. Their dedicated chaplains are a lifeline for mariners. They offer a listening ear and much-needed spiritual support. They bring food parcels, offer Wi-Fi so seafarers can call home, and provide hardship grants and access to mental health counselling. Stella Maris' ship visits are only possible because of your support. Chaplains and volunteers to assist 125,000 seafarers in UK ports and to reach up to 70,000 ships worldwide per year.

*We pray especially for seafarers who work far from their homes and families, for those who are sick or have been injured in accidents onboard ships, and for those who are ill-treated and frightened. Through Christ Our Lord AMEN*
