The Holy Father's prayer intentions for October: that every baptized person may be engaged in evangelization, available to the mission, by being witnesses of a life that has the flavour of the Gospel.

Parish News: Following several incidents in Sacred Heart, during the day the porch will be open, the inner door bolted. We are currently looking into the installation of CCTV. Might be good to pray for the vandals RM

If there is anyone who could do a little typing for me, please let me know RM

The **Stella Maris** knitted hats, scarves, gloves and balaclavas have been safely delivered to Southampton for the seafarers and were very gratefully received. Charles Stuart, the Regional Port Chaplain for Stella Maris, sent me this message on receipt of the many knitted items,

"As ever I am hugely grateful for the support we receive from you and the Parish of the Sacred Heart in Tisbury. The rosaries, gifts and knitting we always take with us are sincerely appreciated by the crew of every ship we visit, if only you could see their gratitude. Most are still confined to their ships for months on end so the Welfare Packages, prayers and blessings we offer help to sustain the spirit in difficult lives. Your contributions are of great and lasting value, thank you".

Thank you to all those that have knitted items over the past year for this wonderful charity. Julia

Second collections: A second basket will remain at the back of the church for Masses. From 15th October, the basket will be for **Missio**. For those still not able to attend Mass, donations on the second PayPal button on our website will be allocated to the Clergy Training Fund throughout October.

Holy Shop: if anyone would like us to order *Real Advent Calendars* no longer stocked in supermarkets, please let me know. These include a 24 page booklet for children as well as Fairtrade chocolate shapes! £4.50 each. *Catherine*

Catholic Voices is a project which began in the UK to improve the Church's representation in the media, above all in news programs and debates. Since 2010 the project has grown. In the UK, speakers are trained via our national speakers' training programme. We have trained our speakers to give talks in parishes about the CV method, how to use it to talk about controversial issues involving the Church.
