The **Doctors of the Church** are great saints known for their defence and explanation of the truths of the Catholic Faith

The Church and her organisations rely on people getting involved. **Our Church, our world needs you.** Could your New Year's resolution be getting more involved in the life of our Church? What aspects of Church brings you life or joy? Could you give a bit of time to help those parts flourish?

CAFOD, the Catholic Agency for Overseas Development, are looking for people to give some time (could be as little as 2 minutes short talk twice a year) and join them in their mission. Could you help in our diocese, bringing people together to help build a better world or by visiting local schools? Raise a voice and campaign for justice. Could you support local volunteers or share your office skills to help CAFOD keep costs low? Training and support is provided. See cafod.org.uk/Volunteer for more information or get in touch with clifton@cafod.org.uk

Send us the Holy Spirit to open our hearts and minds
so that we may be your witnesses throughout the world:
in our protection of the vulnerable,
our words and actions
and in our communion with the earth.

AMEN
