Linking with the first Session of the Synod on Synodality in Rome (October 2023), Clifton Diocese will be exploring the same themes through a series of webinars (7.30-9pm) through September & October. For the first session of the series we are delighted to welcome **Bishop John Arnold**, on **21 September**, who will set our series within the context of the **Dogmatic Constitution on the Church – Lumen Gentium**. Each webinar will be focusing on a different element of the work of the Synod. Parishioners are welcome to sign up for any of the sessions on offer.
