*reasons why I do not ~~go to church~~ wash myself*

1. As a child I was made to wash.
2. People who keep on washing are hypocrites who think they are cleaner than other people.
3. There are so many different types of soap. How am I supposed to know which is the best one for me?
4. All the water companies are just after our money.
5. I've tried washing from time to time, but it was always so boring and always the same.
6. It's always so cold and uninviting in the bathroom.
7. I do wash at Easter and Christmas. Surely that's enough!
8. None of my friends think it is necessary to wash.
9. I really don't have time to wash.
10. Maybe I'll wash one day, when I'm older.
