During the Coronavirus pandemic unborn babies and their mothers have been at even greater risk of abortion. The Government's "pills through the post", brought in as Covid measure, means that over 23,000 women in England and Wales aborted their baby at home during lockdown. Please help us to spread the truth about DIY abortion and save women and babies from the tragedy of abortion. Will you deliver pro-life information leaflets about DIY abortions door-to-door in your area? Every leaflet could make the difference to a vulnerable woman and save a baby's life. Please go to our website to learn more and order some leaflets, or call SPUC on 020 7091 7091. <https://spuc.org.uk/SaveTheRightToSaveLives>
