PILGRIMAGE and the Comino Portuguesé – Friday 22 June at 7pm in Christ The King , Amesbury Hall. Pilgrimage has a long tradition in Christian life and Santiago De Compostela remains as popular as ever (in April 2018, there were over 22,000 pilgrims), but why, in an increasingly secular, materialistic society is this so? What is pilgrimage; what is the pilgrims' motivation; why do people continue to go on pilgrimage; and what is the pilgrim 'experience'? Following his pilgrimage to Santiago, Graham Brown invites you to an illustrated talk when he will explore these questions and share his experience of the Comino.

Governors, teachers and chaplains will have the opportunity to formally renew their commitment to catholic education. POPE FRANCIS - Audience 6 June

Dear brothers and sisters: In our continuing catechesis on Confirmation, we now consider some of its effects. The gift of the Holy Spirit, received in the sacrament, enables us in turn to become a gift for others within the communion of the Church. As living members of Christ's mystical body, we are called to share in the life and mission of the Church both universally and within our local Christian communities. As an eloquent sign of this ecclesial dimension, the sacrament of Confirmation is ordinarily conferred by the diocesan Bishop, who, as a successor of the Apostles, is charged with fostering the Church's unity through the rich diversity of the Spirit's gifts. The sign of peace exchanged by the Bishop and the newly confirmed is a reminder that each must work for the upbuilding of the community in faith, love and Christian service. May we who have received this sacrament open our hearts each day to the liberating breath of the Holy Spirit and fan into flame the gifts we have received for the good of one another, the whole Church and the world in which we live.

YEAR OF MISSION - 10th Sunday of the Year

In different ways we all make a contribution, however small, to make our world a better place for all. God's kingdom is being worked out in quiet and humble ways. It is important that we appreciate the little things that are happening all around us. We may not have to be heroes or martyrs, but we are called to put meaning and importance into our own little corner of the world. There are little seeds of the kingdom that all of us can sow, a friendly gesture towards someone in trouble, a welcoming smile for someone who is alone, a sign of closeness for someone in despair, a little ray of joy for a person in distress. God's reign comes in power through the seemingly insignificant actions of each of us.
