EDUCATION MASS at Clifton Cathedral on 26 June at 7pm, to celebrate Catholic Education within the Diocese. The main celebrant will be Bishop Declan. This is a celebration of all that we are and especially important at a time when Catholic Education is under threat. Governors, staff, (all staff) chaplains, parents and pupils are all welcome. The Mass will begin with a procession of flags and we would really like every school in the diocese represented. Governors, teachers and chaplains will have the opportunity to formally renew their commitment to catholic education. Please try to come and encourage as many as possible from your school and parish to attend. Refreshments will be available in the Apostle Room below the Cathedral after Mass.

DIOCESAN FAMILY DAY Bishop Declan invites all parishioners to our Diocesan Family Day at St Brendan's Sixth Form College on Saturday 30 June. It is always a good day with something for everyone. The day begins at 10.15am with opening liturgy and concludes at 3.30pm with Mass. Our diocesan Liturgy Office is hosting formation for those who exercise the ministry of Holy Communion and for the Readers in our parishes. This is a great opportunity for both ministries to refresh their sense of mission and ministry. Please contact the diocese if you wish to attend as lunch is provided for all, 0117 9025595 or email adult.education@cliftondiocese.com

The Ninth World Meeting of Families 2018

This is taking place in Dublin from 21–26 August 2018 and the theme Pope Francis has chosen is *The Gospel of the Family: Joy for the World*. Gathering families from around the world to celebrate, pray and reflect with him upon the importance of marriage and the family as the cornerstone of our lives, of our society and of our Church, this major international event is held every three years.

Dublin is too far for most of us to travel but that doesn't mean we can't join in with this wonderful event and benefit from it. We will be releasing ten simple 'Insights' which will be available each week on our website - the first is there already.

Each 'Insight' will offer a short reflection on a particular theme from 'The Joy of Love' and a couple of questions for you to consider.

Each 'Insight' will draw us in to an enriched appreciation and understanding of the Pope's recent document 'Amoris Laetitia – The Joy of Love'. Take a look at them, sit down as a family or as a couple to consider, discuss and be guided in your family life. You will also find links to the document 'Amoris Laetitia – The Joy of Love' and all the other resources that are available for this event. With thanks to the Adult Education and Evangelisation department at the Clifton Diocese for sharing these great resources with us.

SECOND COLLECTION This weekend is for **DAY FOR LIFE**. A day in the Church's year dedicated to raising awareness about the meaning and value of human life at every stage and in every condition. The Church teaches that life is to be nurtured from conception to natural death. This year the funds will help victims of human trafficking. For further details www.dayforlife.org

ST GREGORY'S GROUNDWORK A real team effort took place on Saturday 9 June when gentleman including Catenians from across all of our parishes came together to clear the grounds at the rear of St Gregory's. With the help of a digger and flat bed tipper truck supplied by Mike Presley and digger driver, Roger Pomeroy, ten men worked really hard and transformed an overgrown area into one we can be proud of again. Thank you for the commitment from all who the men who participated and also to Mandy Camisa and Bernie Presley for providing refreshments and a delicious lunch! Photos are the website photo gallery.

PILGRIMAGE and the Camino Portuguésé – Friday 22 June at 7pm in Christ The King , Amesbury Hall. Pilgrimage has a long tradition in Christian life and Santiago De Compostela remains as popular as ever (in April 2018, there were over 22,000 pilgrims), but why, in an increasingly secular, materialistic society is this so? What is pilgrimage; what is the pilgrims' motivation; why do people continue to go on pilgrimage; and what is the pilgrim 'experience'? Following his pilgrimage to Santiago, Graham Brown invites you to an illustrated talk when he will explore these questions and share his experience of the Camino.

ST JOSEPH'S SCHOOL RACE NIGHT At the school Friday evening 29 June at 7pm. £1 per adult, 50p per child. All the fun of the races on the big screen! Come and enjoy a night out and support the school.

POPE FRANCIS - Audience 13 June

Dear brothers and sisters: Today we begin a new series of catechesis dealing with the commandments. In the Gospel passage we heard earlier, a young man asks Jesus: "What must I do to inherit eternal life?". His question expresses the universal desire, felt especially by young people, to live a full and authentic existence and not to settle for a life of bland mediocrity. Jesus first tells the young man to follow the commandments, but then points beyond them to something "greater", something that is still lacking. He invites the young man, who has obeyed the commandments from childhood, to sell what he has, give to the poor and follow him, promising that in this way he will have "treasure in heaven" (Mk 10:21). Here we see the meaning of Jesus' saying that he came, "not to abolish the Law but to fulfil it". The Lord wishes to give us that something greater, the treasure of life in abundance. In coming weeks, we will reflect on how the Law finds its fulfilment in the new life of grace. In the Ten Commandments, read in the light of Christ, we will find a door through which we can follow Jesus to the fullness of life: his own life and our life as God's children.

YEAR OF MISSION - Quotes from Pope Francis

"The mission of the Christian in the world is a mission for all, a mission of service, which excludes no-one; it requires great generosity and in particular the gaze and heart turned heavenward to invoke the Lord's help. There is so much need for Christians who bear witness to the Gospel with joy in everyday life. The disciples, sent by Jesus, 'returned with joy'. When we do this, our heart fills with joy."

"We need to avoid the spiritual sickness of a Church that is wrapped up in its own world: when a Church becomes like this, it grows sick. It is true that going out onto the street implies the risk of accidents happening, as they would to any ordinary man or woman. But if the Church stays wrapped up in itself and doesn't try new things, it will age."

"We seek to make contact with families that are not involved in the parish. Instead of just being a Church that welcomes and receives, we must try to be a Church that comes out of itself and goes to the men and women who do not participate in parish life, do not know much about it and are indifferent towards it. We organise missions, we pray, we celebrate mass, we offer baptism which we administer after a brief preparation. This is the style of the parishes and the diocese itself. **Other than this, we must also try to reach out to people who are far away, via digital means, the web and brief messaging.**"
