

SCORE update May 2021

At the committee meeting a grant of £500 was made to **Wiltshire Family Counselling Trust**. This will enable training for those who cannot afford the fees, especially for a course on autism.

A sum of £2000 was released to the **Alabaré Hardship Fund** which provides help in kind, rather than cash, for specific needs.

Daisy, a parishioner, receives £1000 to assist an internship with the Holy See mission to the UN in New York. The mission is to influence the UN in bringing Christian principles to decision making at an international level, especially in relation to poverty.

Thank you for your continued generosity supporting these, and other projects, through SCORE.

The next SCORE meeting is on 6 September 2021 and applications for grants should be submitted 2 weeks before this date.
